

1967

Dear,
How we had our time as kids
we had our time? You made
all the money, more "fun" this year, I
must say. Most every thing went ok
except elections, I don't like that at
all. get any more - do you? Honestly,
you're just about the wonderful
person around and I hope you're
had as much fun as I've had.
You're cute(!), adorable and everything!
So just don't change etc.

Love you,
-198-

Love you
and always

Fare -

Well, did say we've been
through quite a bit of this
of boy! Man - never get
that "run-down" feeling!
Ha. I think that prom
was practically the death
of us both - glad it's over!

Don't forget all of those
stupid times out at the
cabin - scared ya that one
time, didn't J. Ha! You should
have seen the look on your face!
(Saw ya right for sitting poor Dave &
I freeze in the bedroom!)

Don't forget all of our times last
summer out a "Sunset Strip" more
good times are just around the
corner. Guess I'd better sign off & move some room
Next year ought to be a dilly

Finn, I know you
would have made a
great president. But will
have fun next year that
will cover up all the
hard times of this year.

Remember the time?!
Who knows maybe
something could have
come of it. Behave and
have fun, there's only
one year to go.

Good luck & god bless,
Louella
-65-

(No matter how
much I get a
you some things
"Gail" "65")
I made I get a
you some things
"Gail" "65")

Dedication

The 1967 Viking annual is dedicated to Mrs. Margret Fenton, who is retiring this year after thirty three years of teaching, thirty two of which have been at Grayling and one in the Upper Penninsula.

She was born in Dollarville, Michigan, and received her B.S. degree at Eastern Michigan University, with her major in Art and minors in Literature and Social Studies.

Mrs. Fenton's main interests center around her three daughters: Carol, who teaches in Saginaw; Donna, Secretary to the Co-ordinator of courses at Michigan College of Mining and Technology up in Houghton; and Nancy, who attends Ferris State College; and her husband Mr. Elmer L. Fenton whom she married in 1939.

Best wishes to Mrs. Fenton.

 This is only because
 you are always first in my
 life - never forgot chemistry class
 in which you drove me right out
 of my mind. I'm trying to think
 of some nice comments about
 you but the negative ones are so
 outstanding - you have a beautiful
 voice & ^{you} are a regular terror about
 every other day - you seem to have these
 sudden fits. aside from your inborn
 tendencies - you're a fine guy who I've
 certainly enjoyed knowing.
 Always have fun
 Never become a Chemist
 God Bless
 a friend always

Fenn (baby),

To the only boy I love. (How's that for a start)

Now to inflate your ego: You're the neatest, cutest, sweetest, bestest guy around. This stuff is all true, too. There is only one thing wrong with you: you get too depressed over little things and you shouldn't. Everything isn't that bad. Besides that you are a number 1, O.K. guy.

You alone know what you want out of life and I sincerely hope you find it if you haven't already.

I hope you have the best of luck in everything you ever do or want.

Lots of likes
Dianne
-68-

Friend
I really hope
we can have some
good times out at the
lake this summer - with
"Snake" (you know his
Steak) & his cousin BLAUGH!
I really hope you
& I can be one of the
cooler guys about what
happens
Love,
M. J. (68-2)

P.S. ON 23 APR
1968

Fenn,
you're cool,
you're really are, you're
just a natural born
cool. Course I'm cooler but you're
cool Fenn. I wish ya luck in everything
and you have fun next year, mind you
and just keep cool keep cool
Pat
67

Fenn,
Reasonably, I think
I'm cooler than
both of you. (Hahaha)
I can't think of any
thing to say so, Good
luck and May God
Bless you always.

May

P.S.

Don't forget the
Prom two years ago.
That was a dream for
me I think. Don't you?

Fenn,

To one of the greatest
guys I know. You all
about the only guy I
can really talk to - you
can give advice without
really meaning to, and
what you say usually
makes a lot of sense.
You have always been there
to talk to in the past and
I hope you'll always be
around when I need
you in the future. Although
some of the things you say
are hard to understand they
make me stop and think.
I guess I've done some
pretty dumb things to
wreck my football game, but
instead of holding them
against me, you all are
of the ~~few~~ people I know
that realize I'm a stupid friend-

Well damn, I'm surprised
that night suits to you
called. I'm still optimal
of your commitment. It's
a good thing. Good was
there. You were a
great. (I'm Chairman).
It was great. I had back
to back
back

back

Seriously I think that
you're a great, secure
person. Don't ever lose
that swinging charm
you carry around with
you. I hope you have
a great dinner year
Good Luck in the future
